

A fun informative and interactive session on Healing & Spirituality and how it can benefit you in your life.

- Are you searching for answers, feel something is missing in your life?
- Do you have a desire to gain personal growth and be who you're meant to be?
- Have you explored different paths and still feel discontented with your life?
- Do you have a "knowing" that there is more to life?
- Do you have a desire to help other people and an interest in healing?
- Gain clarity around practical steps you can take to bring more joy and fulfillment into your life.
- Find out how to use meditation to connect and grow in your life.

Plus so much more.....
